

Country Pointe Meadows HOA

The following list of Offsite Excursions and Events have been approved by the Board.

If a planned offsite excursion/event is NOT on the list, you MUST get Board approval, in writing, prior to any communions about the event within the community. Once an excursion or event has been approved, it will be added to the list.

Residents are, of course, free to plan off-site trips, but if they want it on the activities calendar or on the newsletter and promoted in any way by the HOA, they must get approval from the Board.

Please remember if you are going to use any forms of “hired transportation,” i.e., Buses, Limousines, etc., you must obtain their insurance approved prior to any communions about the event within the community.
